<sup>2</sup> Request of the United States Postal Service to Add Priority Mail Express Contract 46 to the Competitive Product List and Notice of Filing (Under Seal) of Unredacted Governors' Decision, Contract, and Supporting Data, April 6, 2017 (Request).

filed under seal an unredacted version of Governor's Decision No. 11-6 and Contract 46, and supporting financial data estimating the contract value during the first year.

According to the Postal Service, Priority Mail Express Contract 46 is a competitive product featuring rates "not of general applicability" within the meaning of 39 U.S.C. § 3632(b)(3). Request at 1. The Postal Service also maintains that the prices and classification changes applicable to Contract 46 are supported by Governors' Decision No. 11-6.<sup>3</sup> The Postal Service further asserts that the Statement of Supporting Justification (Statement) provides support for adding Contract 46 to the competitive product list and the compliance of the instant contract with 39 U.S.C. § 3633(a). Request at 2; *Id.*, Attachment D.

The effective date for Contract 46 is 2 business days following the day on which the Commission issues all necessary regulatory approvals. *Id.*, Attachment B at 2 (Article II). The contract will expire 3 years from the effective date unless either party terminates the contract on 30 days' prior written notification, or other specific events. *Id.*, Attachment B at 3 (Article III).

## COMMENTS

The Public Representative has reviewed the Postal Service's Request, the Statement of Supporting Justification, as well as Contract 46 and the financial data filed under seal with the Postal Service's Request. Based upon that review, the Public Representative concludes that Priority Mail Express Contract 46 should be classified as a competitive product and added to the competitive product list. In addition, it appears that Contract 46 in the first year should generate sufficient revenues to cover costs at least during its first year and thereby satisfy 39 U.S.C. § 3633(a).

<sup>3</sup> Decision of the Governors of the United States Postal Service on Establishment of Domestic Competitive Agreements, Outbound International Competitive Agreements, Inbound International Competitive Agreements, and Other Non-Published Competitive Rates, March 22, 2011 (Governors' Decision No. 11-6).

*Product List Assignment.* Pursuant to 39 U.S.C. § 3642, the Postal Service requests that Priority Mail Express Contract 46 be added to the competitive product list. 39 U.S.C. § 3642 requires the Commission to consider whether “the Postal Service exercises sufficient market power that it can effectively set the price of such product substantially above costs, raise prices significantly, decrease quality, or decrease output, without risk of losing a significant level of business to other firms offering similar products.” 39 U.S.C. § 3642(b)(1). Products over which the Postal Service exercises such power are categorized as market dominant while all others are categorized as competitive.

The Postal Service’s Statement of Supporting Justification (Statement) makes a number of assertions that address the considerations of section 3642(b)(1). Request, Attachment D at 2. These assertions appear reasonable. Based upon the Statement, the Public Representative concludes that the Postal Service’s Request to add Priority Mail Express Contract 46 to the competitive product list is appropriate.

*Requirements of 39 U.S.C. § 3633.* Pursuant to 39 U.S.C. § 3633(a), the Postal Service’s competitive prices must not result in the subsidization of competitive products by market dominant products; ensure that each competitive product will cover its attributable costs; and, ensure that all competitive products collectively contribute an appropriate share of the institutional costs of the Postal Service. Based upon a review of the financial data, the negotiated prices for Contract 46 should generate sufficient revenues to cover costs during the first year of the contract and therefore meet the requirements of 39 U.S.C. § 3633(a). In addition, while Contract 46 is expected to remain in effect for a period of 3 years, during this period, the contract contains a mechanism for the upward annual adjustment of prices.

Finally, the Postal Service must file revenue and cost data for Contract 46 in future Annual Compliance Reports. This data will permit the Commission to annually review the financial results for Priority Mail Express Contract 46 in a future Annual Compliance Determination (ACD) report for compliance with 39 U.S.C. § 3633(a).

The Public Representative respectfully submits the foregoing comments for the Commission's consideration.
